Guidelines for high growth potential direct selling ind in final stages

By ENS Economic Bureau | Published: 29th June 2016 07:29 AM |
Last Updated: 29th June 2016 07:33 AM | A+ A A- |

KOCHI: The direct selling industry in the country has the potential to reach a size of Rs 64,500 crore by 2025 from Rs 7,500 crore now, according to a FICCI-KPMG report.

The report, titled, 'Direct Selling: – A Global Industry, Empowering Millions', attributes the growing share of middle income households, growth in consumer markets and an increase in the penetration of direct selling to globally comparable levels as reasons for the growth of the industry.
